

Dear Sir\Madam

Please could you let your clients know about the following funding opportunity:

Business Renewable Energy Fund

As part of our ongoing commitment to supporting economic development and businesses throughout these challenging times, as well as becoming net zero carbon by 2030, Carmarthenshire County Council is delivering the Carmarthenshire Business Renewable Energy Fund. The Fund will be a third-party grant scheme, which will provide capital support to businesses towards the purchase of renewable energy systems for their business premises.

The aim of the fund is to support local businesses to be sustainable during these challenging times, to provide assistance for them to grow and prosper whilst helping them on their net zero carbon journey.

Grants available between £1,000 (minimum) and £25,000 (maximum) towards the cost of the renewable energy system

Each grant award will be based on no more than 50% of eligible costs
